Dear Sir:

The attached form PTO/SB/08 identifies two (2) U.S. patent references, one (1) foreign patent reference, and 22 literature references. The copy requirement pursuant to 37 CFR 1.98 has been waived and therefore copies of cited U.S. patents and patent applications are not submitted with this Information Disclosure Statement. Copies of all other cited references are enclosed herewith for the Examiner's convenience.

The documents listed on the accompanying form PTO/SB/08 are cited in compliance with the provisions of 37 C.F.R. §§ 1.56, 1.97 and 1.98, as amended. Applicant does not concede that the references constitute "prior art" under 35 U.S.C. §102 or §103, and specifically reserves the right to antedate such materials, as by a showing under 37 C.F.R. § 1.131 or otherwise.

This Information Disclosure Statement is being filed prior to receipt of any substantive Office Action, and no fee or certification is therefore required.

Respectfully submitted,
